Dear Parents,

During my years at Greenmount State School I have had many informal discussions with parents about their children's behaviour at home. I am by no means an expert on raising children but when my children were younger I used a program called 1 2 3 magic. I have finally come across some parent workshop in our region and I am in the process of trying to get these providers to come to Greenmount for our parents to attend. The programs that I am looking at are the Triple P program and 1 2 3 Magic. Please let me know if you would like to attend these programs. At this stage I do not have any dates set and this is and EOI.

School Excursion

This Monday is our school excursion to the Brisbane Science Centre and Art Museum. Please remember to be at school by 6:15am sharp as the bus will be leaving at 6:30am. Children will need their morning tea, lunch, afternoon tea and a drink bottle. Please pack food that is not messy and doesn't need refrigerating. Children must also wear full school uniform. We anticipate being home by 5:30-6:00pm. A text message will be sent out when we leave Brisbane. You can contact us on 0475977081.

Dates to remember
