Dear Parents,

We are in the final stretch of the year and all the students are busy with assessments and preparing for our end of year concert to be held on the 3rd of December at 6pm ready for a 6:30pm start. Everyone is welcome to attend. Parents if you’re not 100% sure of what your children are wearing for the concert please see either Mrs Murphy (3-6) or Mrs Saal (p-2). Please ensure all of your children's clothes are clearly named as there will be a lot happening on the night and things can get lost.

White Ribbon Day is on the 25th November and we would like everyone to wear an article of white clothing on the day. This is to say no to violence against women.

Thursday the 10th December will be our break-up day with children to bring their own morning tea and a plate to share for a picnic lunch. All parents are invited to join us for lunch as we will be handing out end of year books afterwards.

Please be aware that a suspicious white van has been spotted in the area. It is very important that children are aware of stranger danger and remain vigilant when walking to and from school.

If you have a media form attached to this newsletter please fill it out and return to school as soon as possible. Due to a problem with previous media forms, we need these returned before the concert please.

An invitation, for a fun filled water play day, will be sent out to those who have fulfilled our school expectations for the term.

Roby Saal (Acting Principal)
Sporting schools will be concluding for the year on Thursday the 26th November. We hope all students have enjoyed their activities this year.

“We’re here to tell a tale.”

“Tail? Whose tail?”

“Not that sort of tail, you ignorant lot! I’m talking about the story. How it all began. It’s our job to tell the story of Cinderella.”

Christmas at the hall 27th November

Movie night with Santa free of charge. Money donations for presents from Santa are to be given to John at the post office.

Organic Gardening Workshop

Cambooya Hall, Harrow Street, Cambooya Saturday 28th November 2015
9am to 12pm
$5 Per Participant

Further Workshop Details Below:
Come along to a half day workshop by local horticulturalist Brian Sam’s to learn how to grow your own fruit and vegetables in backyard gardens, patches and pots. Bookings are essential. 2015-16 organic veggie patch workshops will cover:

- organic veggie growing
- compost making (including worms)
- organic pest control
- problem solving and soil testing
- companion planting

Everyone who attends a Seed to Feed workshop over 2015-16 will go into the draw to win a session with Brian Sam’s to boost their veggie patch. One workshop per person is permitted. All workshops are the same and aimed at beginners wishing to learn how to start growing their own backyard fruit and vegetables. Workshops are designed for adults, however participants 12 years and over are welcome to join in. Participants must wear...
