Dear Parents,

I would like to take this opportunity to say how proud I have been to represent this school at various community events over the past 2 weeks. Each year it gives me great pride to march as the leader of the school alongside our staff, school leaders, students and playgroup. Thank you for allowing your children to attend.

Last Thursday, Emily and Jackson and myself attended the Mayoral morning tea. This was an excellent event for our school leaders to meet other year 6 leaders from other schools. They also tell me the morning tea was very nice. There is a lovely photo of us in this weeks edition of ‘On our Selection’. This is the first year that we have attended this event and will continue to do so in the future. This event was nicely timed as we celebrated the induction of our 2016 School Leaders. Thank you for your attendance it meant a lot to Emily and Jackson.

Classroom Tissues

As we are getting low on tissues in the classroom we are asking for donations of tissue boxes from parents that are willing. Thankyou very much.

ANZAC Ceremony

It is with great pride that the staff at Greenmount would like to congratulate our students on their wonderful participation in this year's ANZAC Day ceremonies. It is a great pleasure to be working with children and a community that have such a sense of respect for a very important day in our school and community calendar. The students did a wonderful job with their speeches and laying of the poppies. Well done students!
